

(Incorporating Africa Business Community)

Hi Everyone!

The last few months have been a very busy time for both Dianne and me. We have been flat-out marking assignments, lecturing and working with students at AIFC and Harvest Bible College. We never realized being semi-retired and working part-time could be so hectic.

Sri Lanka— March/ April 2017

Our next overseas trip will be to Sri Lanka where we are planning to conduct *Counselling Skills and Leadership Seminars*. We have met up with a Sri Lankan pastor here in Perth and he is keen to have us join him for one of his trips to Sri Lanka next year.

Africa Business Community

We continue to be very keen to see more small businesses commence in Africa.

It was wonderful to be able to help a albino man in Zambia commence a business. Albino people in Africa face many problems and they are often marginalized by those around them. We are hoping that he will be successful and be able to be the first of many others in his community to become self-sufficient.

Regular Supporters

When we came to Perth we weren't sure if the support for *LWM* would continue. Thankfully it has and we appreciate it a great deal. While we are thankful for any gift, we want to especially thank those of you who are regular supporters of *Liberty World Missions* and *ABC*. As a result of your support we are able to continue to give and go to those who are in need and to continue with the projects we have in Africa and Asia.

Helping Orphans in Myanmar

As we shared last time, while in Myanmar during our last visit, we met up with a couple who personally care for around 20 orphans. It was so good to be able to give some support for the children's health and schooling. Since then we have been able to send some aid to them. They are so grateful because they know that this will make a major difference in these kids' lives.

Pastor Yawna and Phillip Caruana

- Yawna and his wife, Esther, care for the orphans
- Phillip is one of LWM's board members.
